SINGLE LID DISPENSER

Dispenses more kinds of lids than any dispenser on the market!

The LidSaver Story:

The Ultimate in Sanitary Lid Dispensing

Unlike other less expensive options, your customers simply open the LidSaver's door and retrieve their lid from the door with one hand while never touching the next lid.

The LidSaver™ Single Lid Dispenser Keeps Beverage Stations Profitable by Virtually Eliminating Lid Waste and by Helping Them Stay Neat, Clean, Sanitary, and Attractive to Customers!

The LidSaver's™ Outstanding Patented Features—

- ▶ Prevent excessive handling, exposure, and contamination of lid inventory
- ▶ Eliminate unnecessary cup lid waste
- ▶ Meet Federal Mandate #4-904.11. Only dispenser on the market that can guarantee single lid dispensing.
- ▶ Minimize inventory loss and accelerates payback
- ▶ Add a high-tech appearance to beverage stations
- ▶ Keep traffic moving at busy self-service beverage stations
- ▶ Make installation easy
- ▶ Makes lid size identification easy
- ▶ Save labor time - load in seconds and needs less attention. Each dispenser holds approximately 100 lids

Customers retrieve their lids from the door without touching the remainder of the inventory.

Mounting flange is available in colors to match your color scheme on quantity orders.

Dispenses More Types and Styles of Lids

The LidSaver™ dispenses more lids than any other single lid dispenser:

- cold drink
- hot drink
- tabbed
- slotted
- dome
- gourmet coffee
- contoured
- soup cup
